VITAL STATISTICS.

Parents and others are requested to carefully examine the following lists and if any errors or omissions are discovered report them at once to the town clerk, that the record may be corrected, as it is of importance that the record of Vital Statistics should be complete. Herewith are extracts from the General Laws of Massachusetts, Chapter 46.

Section 3. Every physician, or hospital medical officer registered under Section nine of Chapter one hundred and twelve, in this chapter called officer, shall keep a record of the birth of every child in cases of which he was in charge, showing date and place of birth, the name, if any, of the child, its sex and color, the name, age, birthplace, occupation and residence (including the street number, if any) of each parent, the maiden name of the mother and the name of the physician or officer, if any, personally attending the birth. If the child is illegitimate, the name of and other facts relating to the father shall not be set forth except upon written request of both the father and mother. Said physician or officer shall, within fifteen days after such birth, mail or deliver to the clerk or register of the town where such birth occurred, a report stating the facts herein above required to be shown on said record and also the said written request, if any; provided, that if said report is not so made within forty-eight hours after such birth, said physician or officer shall, within said forty-eight hours, mail or deliver to said clerk, or registrar a notice stating the date and place of the birth, the street number, if any, the ward number, if in a city, and the family name. Upon presentation to him of a certificate of the town clerk stating that any such birth has been duly reported, the town treasurer shall pay to such physician or officer a fee of twenty-five cents for each birth so reported. Any physician or any such officer violating any provision of this section shall forfeit not more than twenty-five dollars.

Section 4. A member or servant of a family in which a child is born, having knowledge of the facts required for record relative to such births, shall furnish the same upon request of the clerk of the town where such child was born or its parents reside, or of any person authorized by him. Such member or servant refusing to furnish such facts shall be punished by fine not exceeding ten dollars.

Section 6. Parents, within forty days after the birth of a child, and every householder, within forty days after a birth in his house, shall cause notice thereof to be given to the clerk of the town where such child is born. Every householder in whose house a death occurs and the oldest next of kin of a deceased person in the town where the death occurs shall, within five days thereafter, cause notice thereof to be given to the board of health.

REPORT OF AUDITOR

FOR THE YEAR ENDING DECEMBER 31, 1934.

I have examined and verified the financial transactions of the Town of Hopedale as recorded on the books of the several departments, and find that the disbursements are covered by paid bills which correspond with the orders drawn on, and paid by, the Town Treasurer.

The books and accounts of the Town Treasurer I have examined and checked in detail. The recorded receipts I have checked wherever possible with the sources from which money was paid to the Town Treasurer. The payments were checked with the orders authorizing the disbursement of town funds. I have verified the cash balance on hand as of December 31, 1934 by a reconciliation of the accounts with the statements furnished by the banks.

I have examined the accounts of the Tax Collector and find them to be correct. The commitments of taxes and abatements were proved and checked to the assessors' records. The amounts covering fees and interest were verified, and all payments to the Treasurer were checked to the Treasurer's Cash Book.

In accordance with Section 53 of Chapter 41 of the General Laws, as amended, I have examined and checked the securities and savings bank accounts representing the investment of the Trust Funds in the custody of the Town Treasurer, and find that they are as stated in the Town Treasurer's report on trust funds.

Respectfully submitted,

S. WALTER BATTY,

Auditor.

LIBRARIAN.

MISS A. A. CALDWELL, February, 1924—

The Trustees of the Bancroft Memorial Library present herewith the reports of the Library and the Librarian, for the year ended December 31, 1934. The reports show in detail the various activities of the Library and are self-explanatory.

It is of interest to note that this completes the 35th year in the present Library building, and as there have been no material changes or additions to the building, other than a rearrangement of departments during this time, the present report shows with what foresight and care the donors of this Memorial planned for its taking care of the needs of the Library over a long period of years.

The report also records the increased use and importance of the Library to the Townspeople, showing that from 1900 to the beginning of 1935, the population of the town has grown from 1954 to 3055, while the card-holders have increased from 662 to 1882. Volumes in the Library have increased from 8820 to 18,025, and the books circulated from 14,320 to 36,962.

Due to the return from Trust Funds, the cost to the Town through appropriations, has increased but very little over the years from 1900 to 1935.

To the end that this service may consistently increase in its importance to the townspeople, the Trustees respectfully seek for a continuance of the hearty cooperation and assistance of the townspeople, Librarian and her assistants for the coming year.

LIBRARIAN'S REPORT.

The Librarian respectfully submits the forty-ninth annual report.

Since the financial statement and the circulation record for the past year are both appended I shall not comment on them but mention the activities which do not show up in either of these reports.

May 17 this library was hostess to the Bay Path Library Club. The meeting was held in the Community House with a few more than a hundred present. Mr. Billings extended a cordial word of greeting for the Trustees. After the annual business meeting Miss Greene of Athol spoke of her summer as exchange Librarian in England, and Miss Smith from Ginn and Company reviewed recent publications. Miss Sornborger spoke briefly of the General Draper Memorial Room at the High School and invited the Club members to visit it. Ninety members and guests were present at luncheon which was served in the Unitarian Church. Mr. and Mrs. Cronan lectured and told stories at the afternoon session.

We were very generously given the opportunity to choose books from the private library of the late Mr. George Albert Draper. It is noted elsewhere in this report that two hundred fifty books were taken. These were almost without exception duplicates for us and so they will be used to replace worn copies. Two splendid book cases with glass doors were also donated. One is used in the Children's Room to store the Helen Draper Ayer collection.

In May Miss Seagrave had a very interesting display of drawings in the reference room. Many attractive posters done by the High School pupils were exhibited.

CHILDREN'S ROOM.

Friday mornings during August story hours were held. Miss Snodgrass spoke about her recent trip to the Yellowstone National Park on the first Friday morning. In October the pupils in the seventh and eighth grades came to the library for instruction in the use of the card catalogues and general encyclopedias. The theme for book week this year was "Hobbies" and a book prize was offered to the boy and girl writing the best composition on his or her favorite hobby. The winners were Virginia Batty and Howard Smith and the prizes were given through the generosity of Miss Bancroft. During the first part of the year a deposit of books was sent to Miss Cressey's school room and 187 books were circulated.

No changes have been made in the staff this year and I express my deepest appreciation to the Trustees and staff for their loyal support and help. The work of our faithful janitor is greatly appreciated by all of the staff.

Respectfully submitted,

MADELEINE B. WOODBURY,

Librarian.
